

# KLETON

## CABINET AND ACCESSORIES ASSEMBLY GUIDE

- First check the contents.
- Read instructions carefully.

### CABINET BASE (OPTIONAL)

The base is shipped knocked down.

- Assemble the base
- Remove the bottom drawer
  - Pull the drawer out all the way
  - Unlock the drawer by pushing each tab (located on the glides) on each side at the same time (left side down right side up) and pull the drawer towards you.
- Turn the cabinet upside down (Fig. 1.1)
- Fasten the base to the cabinet (Fig. 1.2)
- Turn the cabinet w/base back upright and slide the drawer back in.
